## Organisational Audit- Facilitation Preparation

This is a questionnaire for members/employees/stakeholders of an organisation. It is a useful exercise to get an overview of an organisation and can be very useful for a facilitator to understand some of the issues beforehand. It can also guide whether a facilitated session is required and what direction it might take.

**Organisation:** \_\_\_\_\_

**Name & Role:** \_\_\_\_\_

**Location:** \_\_\_\_\_

**What do you see as the purpose of the organisation?**

---

---

---

---

---

**What do you see as the values of the organisation?**
